Respect 

sandhursttownfc1910.com

Welcome to Colden Common, their committee, and fans to today's Velocity Wessex Div 1 league match at Bottom Meadow.

Today's fixture marks our home debut in a new league. Following a geographical reallocation by The FA, we join the Velocity Wessex league for the first time. A new management team led by Carl Barrie, plus several new faces in the squad and a few returning players got the new campaign underway last Saturday at Kintbury Rangers. A solid 1-1 draw to register our first point, the score could have been different had we converted a few more of our chances in the first half.

Goals were not in short supply in our midweek trip to Whitchurch United, where an impressive 5-0 victory registered our first win of the the season.

Colden Common narrowly lost out in last season's play-off semi-final, going down 2-1 to Yateley and will provide the Fizzers with a tough test today. They will be looking to register thier first victory after opening their account with an entertaining 4-4 draw away at Whitchurch.

Our home match day tickets will be available on a game-by-game basis so please keep an eye out on our website and social media channels for all upcoming fixtures and up to date news.

We would like to extend a very warm welcome to anyone making their first visit to Bottom Meadow and we look forward to seeing you all again at our upcoming home matches.

From the Chairman

Welcome to Bottom Meadow for the start of what promises to be an exciting new chapter for Sandhurst Town Football Club.

Taking the helm of a football club is both a privilege and a responsibility. Sandhurst Town has a proud history, a strong identity and an important place within the local community. Our aim is to respect those foundations while helping the club move forward in a positive, ambitious and sustainable way.

There is already a great deal of good work taking place throughout the club, both on and off the pitch. We want to build upon that by creating an environment in which our players, coaches, volunteers, supporters and youth teams can all feel proud to be part of Sandhurst Town.

Our ambitions extend beyond results on a Saturday afternoon. We want Bottom Meadow to be a welcoming place for the whole community and to strengthen the connection between the senior team, our younger players, local businesses and the people of Sandhurst. Developing those relationships will be an important part of the club's future.

None of this would be possible without the people who give their time and support to the club. I would like to thank our committee members, coaches, volunteers and everyone working behind the scenes. I would also like to thank our sponsors and commercial partners, whose continued backing makes an enormous difference.

Most importantly, thank you to our supporters. Your passion and loyalty are at the heart of this football club. We hope you will join us on the journey ahead as we work together to build something of which the whole town can be proud.

There is plenty of work to do, but also a great deal to be excited about. We look forward to sharing the season with you.

Enjoy the game and come on you Fizzers!

Tony Dean

Message from Carl

Firstly, I would like to welcome everyone to Bottom Meadow as we look ahead to the new season.

After weeks of preparation, training and pre-season fixtures, we are excited to get the competitive campaign underway. Pre-season has given us the opportunity to work on our fitness, shape and style of play, while also allowing new players to settle into the group.

We have assembled a squad that combines experience with some exciting young talent. The attitude and commitment shown by the players throughout the summer has been excellent, and there is a real determination within the dressing room to represent Sandhurst Town in the right way.

We know the Velocity Wessex League will provide us with plenty of tough challenges. Every point will need to be earned, and consistency will be vital over the course of a long season. Our aim is to be competitive in every match, continue improving as a group and give our supporters a team they can be proud of.

While we naturally want to achieve as much as possible, success will not happen overnight. It will come through hard work, togetherness and a willingness to keep learning. We will undoubtedly face setbacks along the way, but it is how we respond to those moments that will define us.

The support we receive, both at Bottom Meadow and away, makes a genuine difference to the players. We want to build a strong connection between the team and the supporters and create some memorable moments together throughout the season.

Thank you to everyone who has worked tirelessly behind the scenes to prepare the club for the new campaign. We are ready for the challenge and cannot wait to get started.

I hope everyone enjoys the season and thank you for your support.

Carl

SANDHURST TOWN

Sandhurst Football Club was formed in 1910 and played in the Reading & District League until 1979 apart from a short spell in the East Berkshire Football League. In 1979, the Club was elected into the Aldershot & District Football League. 1984 saw the Club finish as runners-up from whence they became founder members of the Chiltonian Football League and a stepping-stone toward becoming a senior club.

The best season in the Chiltonian Football League was in 1986-1987 when they finished in second place. In 1990 the Club applied for membership of the Combined Counties Football League and was granted senior status by the Berks & Bucks County Football Association. The first two seasons were disastrous finishing in bottom place on each occasion and only escaped relegation back to the Chiltonian Football League at the end of the second season due to the resignation of another member club. However, the form of the Club improved dramatically thereafter over several years with managers Peter Browning and subsequently John Underwood bringing the club cup and league success.

The first ground used by the Club was a field adjacent to the Bull & Butcher public house that may well have been used as the club headquarters. After a few years, a move was made to the Memorial Park where the Club remained until the 1996 close season, apart from a couple of seasons during the 1950s spent on a nearby pitch in St. John's Road.

The introduction of the National Lottery prompted an immediate bid for funding for a new ground in Bottom Meadow adjacent to the Memorial Park. With support and backing through additional matched funding from Bracknell Forest Borough Council and Sandhurst Town Council, the Club was successful in the first round of allocations by the National Lotteries Charities Board. The new facilities opened in August 1997 at a cost of £265,000. The club celebrated its Centenary season in 2010/11 winning the Combined Counties League Cup final and getting through to two other semi-finals.

This year the club celebrates 110 years of football in the community. Whilst the CoVid-19 pandemic brought last season to a premature close in March and our planned anniversary celebrations/events to be put temporarily on hold there has been a lot of positive and exciting things happening in the background at the club. Aimed at ensuring the longevity of the club for a further 100 years and beyond a major relaunch of the club and a project is in hand on two fronts namely significantly improving, upgrading, and enhancing our facilities at Bottom Meadow as well as placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst. Work began at Bottom Meadow in 2020 and we returned to a much-improved home for the start of the 2021/22 season.

In 2022 the club celebrated 110 years of football in the community. Covid-19 pandemic brought the 2021 season to a premature close and anniversary celebrations/events were cancelled. However, there was a lot of positive and exciting things happening in the background at the club.

SANDHURST TOWN

Aimed at ensuring the longevity of the club for a further 100 years and beyond, a major relaunch of the club was completed, namely significant improvements, upgrades, of the facilities at Bottom Meadow, placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst and throughout Bracknell Forest. Our state-of-the-art 3G pitch, the first of its kind in the UK, that was completed during the summer of 2023, at Bottom Meadow.

In 2023, Jordan Ive took over the reigns as first team manager and with Carl Barrie as coach led the Fizzers to the Combined Counties Division One title and promotion to Step 5 into the Combined Counties Premier South. Jordan led the team until Xmas 2023 when he made the move up the football pyramid to manage at Step 3.

For the start of the 2024/25 season, Adam Barnard became the new Fizzers manager and was joined by Carl Barrie and Lee Barefoot. Sandhurst Town ambitions remained high. However, ownership and operational changes in the running of Bottom Meadow hampered our progress and we could not muster enough points to avoid relegation back into Combined Counties Division One.

2025/26, we welcomed Bob Ryan as the new Fizzers manager to lead the Fizzers for the new campaign. At the end of the season Bob stepped down and we began the search for a new manager.

We are delighted that Carl Barrie has returned as the new Fizzers manager for the 2026/27 season. Carl, along with his management team will lead the Fizzers into a new era and a new league, after a change in league allocation we join the Velocity Wessex League for the first time.

GOLDEN COMMON

The club was founded in 1898 and re-formed in 1956 as a Saturday side in the Eastleigh League. However, Common had cause to thank their Sunday 'wing' for developing the foundations laid by Cliff & Jack Banford and instigating a staggering rise through the Saturday leagues during the late 1980's and early 1990's.

Originally competing within the Eastleigh and Southampton Football Leagues, honours were sparse with just the Eastleigh Benevolent Cup and Southampton Junior Division 4 title jostling for space in the 'trophy cabinet'. However, the decision to field a Sunday League side ~ 1973 to 1983 ~ preceded an incredible haul of 24 league and cup honours (under the managerial guidance of Ron Shaw, Steve Clarke, Mick Geddes and Clive Jenvey) and the impetus for our Saturday sides to also make rapid strides forward.

Our journey from Southampton Junior Division 2 to Hampshire League Division 1 took just six years and included nurturing the likes of England internationals Graham Roberts and Steve Guppy as we further progressed to the Wessex League before settling in the Hampshire Premier Football League.

The HPFL Senior Division title was twice won back-to-back in 2008/09 and 2009/10, and again in 2021/22 and 2022/23 - the latter under the stewardship of Nathan Morgan and Connor Doswell who also claimed the league and cup double, alongside the Hampshire Trophy in a memorable treble-winning campaign.

An exciting ground share agreement at Winchester City FC was struck as a means to enable the club to progress back to the Wessex League - and in 2024/25 under the new management of Steve King, Step 6 football was achieved, as Common won the Hampshire Premier League title for a fifth time.
