Welcome to Wokingham Town, their committee, and fans to tonight's Isuzu FA Vase 1st qualifying round at Bottom Meadow.

After three league matches FA Vase action returns and it a gives us an opportunity to take on neighbours Wokingham Town, who we have already faced during a pre-season friendly.

We had another good result last Saturday but were made to work hard in the second half. A 4-1 victory against Colden Common, thanks mainly to a dominant opening 20 minutes and a lot of hard work to secure the points. So far, two wins and a draw gives a positive start to the new season.

Wokingham Town have had a steady start in the Combined Counties North, with one win, one draw and a defeat in their opening three league matches. We know they will be a tough side to beat having played them in last season's B&B Senior Cup, we came away with a narrow 3-2 victory.

Charlie Bath and Rob Pearce step in tonight to manage the team while Carl takes a well earned break from a hectic pre-season schedule.

Our home match day tickets will be available on a game-by-game basis so please keep an eye out on our website and social media channels for all upcoming fixtures and up to date news.

We would like to extend a very warm welcome to anyone making their first visit to Bottom Meadow and we look forward to seeing you all again at our upcoming home matches.

@sandhurstownfc

From the Chairman

Good evening and welcome to tonight's tie in the Isuzu FA Vase as we welcome the players, officials and supporters of Wokingham Town FC together with the match officials. Our season has got off to a great start thanks to the hard work of Carl, Charlie and their management team. Let's hope that continues tonight. I have been really impressed with the quality of players that have been attracted and the hard work and commitment during friendlies and pre-season training.

There is still a lot of work to do to get the club back to where it needs to be on and off the field. We already have a dedicated and hard-working team behind the scenes which is essential for any club. We continue to look for volunteers and sponsors to help the club grow, support local businesses, and strengthen our role in the community.

With the new season ahead, a new team and management, and some of the best facilities around, there may be a role for you. You could bring or develop your skills, support matchday operations, media/promotion, local outreach, or behind-the-scenes practical work. Each contribution small or large helps improve the club and matchday experience. Please feel free email Chairmanstfc@hotmail.co.uk to explore further or pop down club for a chat with me or one of our team.

We now have a good run of home games for you to attend and enjoy our 1st class comfortable facilities including our air-conditioned clubhouse. Further details in this programme or follow us on X, our website, Facebook or Instagram

We look forward to seeing you again soon.

Enjoy the game and come on you Fizzers!

Message from Carl

Firstly, I would like to welcome everyone to Bottom Meadow.

After weeks of preparation, training and pre-season fixtures, we are excited to get the competitive campaign underway. Pre-season has given us the opportunity to work on our fitness, shape and style of play, while also allowing new players to settle into the group.

We have assembled a squad that combines experience with ome exciting young talent. The attitude and commitment shown by the players throughout the summer has been excellent, and there is a real determination within the dressing room to represent Sandhurst Town in the right way.

Today's match offers us an early opportunity to test ourselves in competitive action as we begin our FA Vase campaign. Charlie Bath and Rob Pearce will be taking charge of the team this evening, I know the players will be looking to put in a performance that reflects the hard work carried out over the summer months.

Looking further ahead, we know the Velocity Wessex League will provide plenty of tough challenges throughout the season. Every point will need to be earned, and consistency will be vital over the course of a long campaign. Our aim is to be competitive in every match, continue improving as a group and give our supporters a team they can be proud of.

While we naturally want to achieve as much as possible, success will not happen overnight. It will come through hard work, togetherness and a willingness to keep learning. We will undoubtedly face setbacks along the way, but it is how we respond to those moments that will define us.

The support we receive, both home and away, makes a genuine difference to the players. We want to build a strong connection between the team and the supporters and create some memorable moments together throughout the season.

Thank you to everyone who has worked tirelessly behind the scenes to prepare the club for the new campaign. We are ready for the challenges ahead and cannot wait to get started.

I hope everyone enjoys today's match and the season ahead. Thank you, as always, for your support.

Carl

WOKINGHAM TOWN

Celebrating its 150th season last year, Wokingham Town Football Club (WTFC) stands as Berkshire's fourth-oldest club.

Following early triumphs in the Ascot League in 1912 and the Reading Temperance League in 1925, WTFC launched a successful initiative to raise £750 to purchase its Finchampstead Road ground in 1928.

By 1953, the club entered senior football, setting the stage for a legendary 1957/58 FA Amateur Cup campaign. The team defied the odds to reach the quarter-finals, famously defeating West Auckland in an FA-ordered replay before losing to Crook Town in front of a club-record crowd of nearly 10,000 spectators.

Following a 1969 Berks & Bucks Senior Cup victory, the 1980s delivered unprecedented milestones: In 1981/82, WTFC won the Isthmian League Division to earn Premier Division promotion and captured a second Berks & Bucks Cup. Crucially, they reached the FA Cup first round proper for the only time, famously drawing Cardiff City 1-1 before a 3-0 defeat in the Welsh capital.

The 1987/88 season was arguably the club's most successful season, featuring a League Cup semi-final and a massive FA Trophy semi-final against Telford United, attracting more than 6,000 spectators across the two legs.

After selling Finchampstead Road, the club navigated a nomadic period until merging with Emmbrook Sports in 2004 to form Wokingham & Emmbrook FC (WEFC). The next decade brought Hellenic League success under managers such as Tony Calvert , Wayne Wanklyn , Roger Herridge Dan Bateman and current manager Matt Eggleston who then stepped down with Eliot Whitehouse and Matt Cronan taking the reigns until Matt returned with Darren Purbrick in 2024. This period yielded multiple Reading Senior Cup victories winning in 2011/12 and retaining it for 2 years in 2012/13 and the 2013/14 season. and a 2014/15 Division One East championship.

Unfortunately, stringent FA ground requirements forced a ground-share with Henley Town, resulting in relegation. In response, a 2017/18 revamp saw the thriving youth committee take over senior operations under chairman Steve Williams.

The Sumas returned to an upgraded Lowther Road facility in 2019/20. Despite the pandemic curtailing consecutive seasons, their dominant unbeaten form earned them promotion to the Combined Counties North in 2021.

Following intense relegation battles, managerial stabilisation under Darren Purbrick and former player Matt Eggleston secured back-to-back 14th and 15th place finishes.

With Eggleston managing solely for the 2025/26 campaign, the club remains deeply rooted locally. The team finished mid-table in 2025/26, and secured a place in the League Cup final narrowly being edged out in added time by promoted League runners up Windsor and Eton FC.

Today, Wokingham Town proudly fields more than 70 teams from age seven upwards, encompassing youth academies, women's squads, reserves, veterans, and walking football.

SANDHURST TOWN

Sandhurst Football Club was formed in 1910 and played in the Reading & District League until 1979 apart from a short spell in the East Berkshire Football League. In 1979, the Club was elected into the Aldershot & District Football League.1984 saw the Club finish as runners-up from whence they became founder members of the Chiltonian Football League and a stepping-stone toward becoming a senior club.

The best season in the Chiltonian Football League was in 1986-1987 when they finished in second place. In 1990 the Club applied for membership of the Combined Counties Football League and was granted senior status by the Berks & Bucks County Football Association. The first two seasons were disastrous finishing in bottom place on each occasion and only escaped relegation back to the Chiltonian Football League at the end of the second season due to the resignation of another member club. However, the form of the Club improved dramatically thereafter over several years with managers Peter Browning and subsequently John Underwood bringing the club cup and league success.

The first ground used by the Club was a field adjacent to the Bull & Butcher public house that may well have been used as the club headquarters. After a few years, a move was made to the Memorial Park where the Club remained until the 1996 close season, apart from a couple of seasons during the 1950s spent on a nearby pitch in St. John's Road.

The introduction of the National Lottery prompted an immediate bid for funding for a new ground in Bottom Meadow adjacent to the Memorial Park. With support and backing through additional matched funding from Bracknell Forest Borough Council and Sandhurst Town Council, the Club was successful in the first round of allocations by the National Lotteries Charities Board. The new facilities opened in August 1997 at a cost of £265,000. The club celebrated its Centenary season in 2010/11 winning the Combined Counties League Cup final and getting through to two other semi-finals.

This year the club celebrates 110 years of football in the community. Whilst the CoVid-19 pandemic brought last season to a premature close in March and our planned anniversary celebrations/events to be put temporarily on hold there has been a lot of positive and exciting things happening in the background at the club. Aimed at ensuring the longevity of the club for a further 100 years and beyond a major relaunch of the club and a project is in hand on two fronts namely significantly improving, upgrading, and enhancing our facilities at Bottom Meadow as well as placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst. Work began at Bottom Meadow in 2020 and we returned to a much-improved home for the start of the 2021/22 season.

In 2022 the club celebrated 110 years of football in the community. Covid-19 pandemic brought the 2021 season to a premature close and anniversary celebrations/events were cancelled. However, there was a lot of positive and exciting things happening in the background at the club.

SANDHURST TOWN

Aimed at ensuring the longevity of the club for a further 100 years and beyond, a major relaunch of the club was completed, namely significant improvements, upgrades, of the facilities at Bottom Meadow, placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst and throughout Bracknell Forest. Our state-of-the-art 3G pitch, the first of its kind in the UK, that was completed during the summer of 2023, at Bottom Meadow.

In 2023, Jordan Ive took over the reigns as first team manager and with Carl Barrie as coach, led the Fizzers to the Combined Counties Division One title and promotion to Step 5 into the Combined Counties Premier South. Jordan led the team until Xmas 2023 when he made the move up the football pyramid to manage at Step 3.

For the start of the 2024/25 season, Adam Barnard became the new Fizzers manager and was joined by Carl Barrie and Lee Barefoot. Sandhurst Town ambitions remained high. However, ownership and operational changes in the running of Bottom Meadow hampered our progress and we could not muster enough points to avoid regelation back into Combined Counties Division One.

2025/26, we welcomed Bob Ryan as the new Fizzers manage to lead the Fizzers for the new campaign. At the end of the season Bob stepped down and we began the search for a new manager.

We are delighted that Carl Barrie has returned as the new Fizzers manger for the 2026/27 season. Carl, along with his management team will lead the Fizzers into a new era and a new league, after a change in league allocation we join the Velocity Wessex League for the first time.
