sandhursttownfc1910.com

Welcome to Hedge End Rangers, their committee, and fans to today's Velocity Wessex League Division 1 match at Bottom Meadow.

Today's is our fourth consecutive home match and we are looking to bounce back following Tuesday nights 3-1 defeat. Amesbury Town proving too strong on the night and deservedly took the points back to Wiltshire.

We will undoubtable have a few bumps along the way and how we respond to these is important. The Velocity Wessex League will provide plenty of tough challenges throughout the season. Every point will need to be earned, and consistency will be vital over the course of a long campaign.

Hedge End Rangers are our next challenge, they were promoted to the Wessex League, finishing runners up in the Hampshire Premier League. After drawing their opening league match, Hedge End have had back to back victories, after three matches they remain unbeaten. It will be another test for the Fizzers and we will need to improve on our midweek performance.

Our home match day tickets will be available on a game-by-game basis so please keep an eye out on our website and social media channels for all upcoming fixtures and up to date news.

We would like to extend a very warm welcome to anyone making their first visit to Bottom Meadow and we look forward to seeing you all again at our upcoming home matches.

VELOCITY WESSEX LEAGUE
THE FIZZERS 1 v AMESBURY TOWN 3

The Fizzers suffered their first league defeat on Tuesday night against a well organised Amesbury Town.

The Fizzers defence was called in to action early on, Bill Wagstaff clearing off the line with a header after only 5 minutes. Amesbury were reduced to 10 men after 8 mins following a deliberate elbow giving the Fizzers a numerical advantage for the remainder of the match. Amesbury rejigged their formation and the Fizzers set about the task of finding a way to breach their defence.

Maurice Black came close few minutes later, pouncing on a loose ball following a save from the Amesbury keeper. Jude New had a shot well saved and he had a long-range strike that sailed harmlessly over the bar. The 10 men of Amesbury held firm and the score remained goalless going into the break.

The second half was slow to get going, both sides cancelling each other out, Jude New once again came the closest but not for the first time, but the Amesbury keeper was up to the task. Soon after, the 10 men of Amesbury took the lead, a well-directed header finding the back of the Fizzers net. Undeterred, the Fizzers went in search of an equaliser and were rewarded when Jude New eventually put one past the Amesbury keeper to level the scores on the hour mark.

Thirty minutes remained and plenty of time for the Fizzers to take control of the match. However, Amesbury had other ideas, and to their credit they comfortably dealt with any threat. The defining moment came when a long-range strike from Amesbury put the visitors into the lead after 75 minutes. The Fizzers made a few late substitutions to try to find a way back into the match, but we lacked the quality to break down a determined Amesbury Town.

In the dying moments Amesbury added a third from a well taken free kick to put the match out of reach and deny any chance of a Fizzers comeback.

Despite or efforts and numerical advantage Amesbury deservedly took the three points back to Wiltshire. We go again looking for an improved performance today against Hedge End Rangers.

Bill Wagstaff was voted the AH Home Improvements Man-of-the Match.

Come on you Fizzers

HEDGE END RANGERS

Hedge End Rangers has a long footballing heritage linked to the town of Hedge End, Hampshire. The club's roots can be traced back to the original Hedge End Football Club, formed around 1910.

The team spent many years competing in the Southampton League, winning the Senior Division 1 title in 1966 and later gaining promotion to the Hampshire League in 1991 after winning another top-flight championship.

The original club enjoyed success during the early 1990s, winning Hampshire League Division 3 in 1993 and the Hampshire Intermediate Cup in 1994. However, following relegation and a loss of players, the club withdrew from competition during the 2003-04 season.

In 2005, football in the town was revived through a partnership with Hedge End Rangers, a junior club established in 1974. The newly formed Hedge End Rangers senior side rejoined the Southampton League and quickly progressed through the football pyramid.

They finished runners-up in the "Hampshire League 2004" winning the league title in 2010/11, earning promotion to the Hampshire Premier League. One of the club's notable achievements came in 2014 when they reached the Southampton Senior Cup Final at St Mary's Stadium.

Although they were defeated 5-0 by Sholing Reserves, the appearance marked an important milestone in the club's development. Following a difficult period that resulted in relegation and withdrawal from the Hampshire Premier League in 2018/19, the club rebuilt successfully.

In 2023/24, Hedge End Rangers won the Southampton Senior League Cup and finished runners-up in the Southampton League Premier Division, losing the title on goal difference, securing a return to county-level football. The club continued its rise, earning promotion through the Hampshire Premier League and in 2025, entering a ground-sharing agreement with Sholing.

This helped support another promotion, taking Hedge End Rangers into the Wessex League Division One for the first time in their history and marking the club's highest-ever level of competition.

SANDHURST TOWN

Sandhurst Football Club was formed in 1910 and played in the Reading & District League until 1979 apart from a short spell in the East Berkshire Football League. In 1979, the Club was elected into the Aldershot & District Football League.1984 saw the Club finish as runners-up from whence they became founder members of the Chiltonian Football League and a stepping-stone toward becoming a senior club.

The best season in the Chiltonian Football League was in 1986-1987 when they finished in second place. In 1990 the Club applied for membership of the Combined Counties Football League and was granted senior status by the Berks & Bucks County Football Association. The first two seasons were disastrous finishing in bottom place on each occasion and only escaped relegation back to the Chiltonian Football League at the end of the second season due to the resignation of another member club. However, the form of the Club improved dramatically thereafter over several years with managers Peter Browning and subsequently John Underwood bringing the club cup and league success.

The first ground used by the Club was a field adjacent to the Bull & Butcher public house that may well have been used as the club headquarters. After a few years, a move was made to the Memorial Park where the Club remained until the 1996 close season, apart from a couple of seasons during the 1950s spent on a nearby pitch in St. John's Road.

The introduction of the National Lottery prompted an immediate bid for funding for a new ground in Bottom Meadow adjacent to the Memorial Park. With support and backing through additional matched funding from Bracknell Forest Borough Council and Sandhurst Town Council, the Club was successful in the first round of allocations by the National Lotteries Charities Board. The new facilities opened in August 1997 at a cost of £265,000. The club celebrated its Centenary season in 2010/11 winning the Combined Counties League Cup final and getting through to two other semi-finals.

This year the club celebrates 110 years of football in the community. Whilst the CoVid-19 pandemic brought last season to a premature close in March and our planned anniversary celebrations/events to be put temporarily on hold there has been a lot of positive and exciting things happening in the background at the club. Aimed at ensuring the longevity of the club for a further 100 years and beyond a major relaunch of the club and a project is in hand on two fronts namely significantly improving, upgrading, and enhancing our facilities at Bottom Meadow as well as placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst. Work began at Bottom Meadow in 2020 and we returned to a much-improved home for the start of the 2021/22 season.

In 2022 the club celebrated 110 years of football in the community. Covid-19 pandemic brought the 2021 season to a premature close and anniversary celebrations/events were cancelled. However, there was a lot of positive and exciting things happening in the background at the club.

SANDHURST TOWN

Aimed at ensuring the longevity of the club for a further 100 years and beyond, a major relaunch of the club was completed, namely significant improvements, upgrades, of the facilities at Bottom Meadow, placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst and throughout Bracknell Forest. Our state-of-the-art 3G pitch, the first of its kind in the UK, that was completed during the summer of 2023, at Bottom Meadow.

In 2023, Jordan Ive took over the reigns as first team manager along with Carl Barrie as coach, led the Fizzers to the Combined Counties Division One title and promotion to Step 5 into the Combined Counties Premier South. Jordan led the team until Xmas 2023 when he made the move up the football pyramid to manage at Step 3.

For the start of the 2024/25 season, Adam Barnard became the new Fizzers manager and was joined by Carl Barrie and Lee Barefoot. Sandhurst Town ambitions remained high. However, ownership and operational changes in the running of Bottom Meadow hampered our progress and we could not muster enough points to avoid regelation back into Combined Counties Division One.

2025/26, we welcomed Bob Ryan as the new Fizzers manage to lead the Fizzers for the new campaign. At the end of the season Bob stepped down and we began the search for a new manager.

We are delighted that Carl Barrie has returned as the new Fizzers manger for the 2026/27 season. Carl, along with his management team will lead the Fizzers into a new era and a new league, after a change in league allocation we join the Velocity Wessex League for the first time.
