THE FA VASE

Respect

sandhursttownfc1910.com

Welcome to Frimley Green, their committee, and fans to tonight's Wessex League Division 1 match at Bottom Meadow.

Our 5-3 loss in the FA Vase at home to Carterton, 4 nil down at the break and a spirited fightback in the second half was not enough and Carteron deservedly progress to the next round. We followed this up with a trip to league leaders New Milton, a narrow 1-0 defeat was a disappointing, we deserved a least a point for our efforts.

Neighbours Frimley Green make the short journey tonight, currently sitting a one point ahead of us they will provide another tough test despite coming into tonight's match with back to back league defeats. Frimley are not goal shy; with 26 league goals they are the league top scorers. We will have to be switched on defensively but also make the most of our chances in front of goal. It promises to be an exciting encounter.

Tonight is the last league match in September and an important game to get back to winning ways and secure the three points to keep pace with the teams ab0ve us in the table. We end September with a difficult tie in the Wessex League Cup where we head off to the New Forest to take on premier side Brockenhurst FC.

Our home match day tickets will be available at the gate on a game-by-game basis so please keep an eye out on our website and social media channels for all upcoming fixtures and up to date news.

We would like to thank all of our sponsors and extend a very warm welcome to anyone making their first visit to Bottom Meadow, we look forward to seeing you all again at our upcoming home matches.

WESSEX DIVISION 1
NEW MILTON 1 v THE FIZZERS 0

The Fizzers visited league leader New Milton FC looking for a reaction to last Saturday's exit from the FA Vase. A tough fixture was expected, with a number of new faces in the squad it provided a perfect opportunity for the squad to come together and showcase what can look forward to over the coming weeks.

With new Reece Anderson, Harrison Bayley, Sam Green, Joe Hyberts & Archie Sheppard all in the Fizzers match day line up, it will take a little time for the new look squad to gel.

In front of a crowd of more than 200 the Fizzers faced an early attack from New Milton, Joe Hybert making a comfortable save. As the game settled down the Fizzers began to make inroads into the New Milton defence. A break away in the 11th minute saw the New Milton forward in space and he converted to put the hosts into an early lead.

A windy day and an uneven pitch that was not conducive to free flowing football the Fizzers looked up for the battle despite the early setback. The first half was scrappy, the Fizzers were defending well and Joe Hyberts was called upon to make a decent save to keep the deficit to the solitary goal going into the break.

The Fizzers came our stronger in the second half and more than matched the hosts but goal scoring opportunities were hard to come by with new Milton's defence holding firm. The hosts still looked dangerous on the break, the Fizzers had to work hard to keep the hosts from extending their lead.

As the clocked ticked down the Fizzers were still in the game, with five minutes remaining threw caution to the wind. A series of attacks mounting pressure on the home defence. On more than one occasion the home defence came up with last ditch blocks to deny the Fizzers a late equaliser. Unfortunately time ran out and New Milton hung on to take the points.

A slightly disappointing outcome for a decent performance with the wind and firm pitch playing its part in a somewhat scrappy game.

Freddie Loveridge was voted the AH Home Improvements man-of-the match.

We go again tonight looking to get back to winning ways against neighbours Frimley Green

Come on you Fizzers

FRIMLEY GREEN

The club was founded in 1919 and currently play at Frimley Green Recreation Ground. The present clubhouse was erected in 1972 when 'The Green' played in the London Spartan League and used a pitch on the lower part of the park with the changing rooms where the car park now is. A few years later a new pitch was laid adjacent to the clubhouse and changing rooms were added. The Reserve Team joined the Combined Counties League in 1979 and at the start of the 1981/82 season the First Team switched across and Floodlights were installed for the first time. The Club competed in the League for a period of 15 years, during which time they won the Dan Air Elite Cup and the Reserves won the Division One Challenge Cup.

In 1994 the club voluntarily dropped down into the Surrey Intermediate League (Western). After four seasons of consolidation the club joined the Surrey Premier League in 1999, after finishing Runners-up and winning the League Cup. Off the field new Floodlights were installed. A 3 year spell followed, in the renamed Surrey Senior League, which saw the club finish fourth, sixth and Runners -up and attain promotion back into the Combined Counties League where they have played since. Season 2004-05 was the most successful to date, finishing in 15th Place with 58 points.

Season 2005-06 was very disappointing on the playing front but we managed to avoid finishing in a relegation position, however, were demoted on 'ground grading', to make way for 7 clubs from the old Ryman Division two. In the next 4 seasons in Division One we had mixed fortunes, finishing 6th at the end of season 2007/08 but then in season 2008/09 finished 3rd from bottom but had our most successful season ever in the FA Vase, reaching the third round and won an FA Cup match for the first time. In season 2009/10 we managed to finish high enough up the table to retain our FA Cup place but 2010/11 was a poor season. 2011/12 saw the appointment of Paul Miles and Ian Maynard mid-season and in 2012/13 we won the Division One title and won 3 FA Vase games along the way. In 2013/14 Paul and Ian left us and this led to a turbulent couple of seasons and relegation. 2015/16 saw another mid-table finish. During 2016/17 John Cook and Jamie Daltry took over and in 2017/18 Roland Baker joined the coaching team. Season 2018/19 saw us finish second by 1 point to earn promotion and win the Division One cup, remaining unbeaten at home in the League all season. The 2019/20 and 2020/21 seasons were cancelled by Covid 19 but we did have good runs in both FA Cup and Vase, before the lockdowns.

Season 2021/2022 saw a new management team of Nick Thumwood and Steve Brown in the CCFL Prem Division South where we finished 17th but reached the 3rd round of the FA Vase for only the second time in our history. Season 2022/23 we had a poor start and parted company with Nick and Steve with James Markham stepping up from the U23's to run the first team but was unable to avoid relegation. For the 2023/24 season we appointed Kris Hatton for our first time in the Wessex League Division One. The season was a struggle, but we did enough to avoid relegation and Kris Hatton has added Ricky Mallett and James Reeves to his team and brought in new faces and some returning old faces for the new campaign. We have reinstated the Reserves under Matt Moore and Rosan Rai in the Suburban League and Toby Harris and James Ferguson are running the U18's in the Allied Counties League. Off the pitch James Markham has stepped up to role of Chairman with Mike Hills as Vice Chairman.

FRIMLEY GREEN

Season 2024/25 saw the club go unbeaten at home in the League and finish second. That put us in the playoffs where we beat Fleetlands 1-0 and then drew 1-1 with East Cowes Victoria in the final after extra time but lost the penalty shootout. Nick Thumwood finished club and VWFL Division One top scorer. For 2025/26 Kris has bought in some new faces on the playing side and the Reserves will be run by Mark French and the U18's by Andrew Hills and Sam Clarke. We have set up a Women's Team under Conor Angell and Owen Sims.

SANDHURST TOWN

Sandhurst Football Club was formed in 1910 and played in the Reading & District League until 1979 apart from a short spell in the East Berkshire Football League. In 1979, the Club was elected into the Aldershot & District Football League.1984 saw the Club finish as runners-up from whence they became founder members of the Chiltonian Football League and a stepping-stone toward becoming a senior club.

The best season in the Chiltonian Football League was in 1986-1987 when they finished in second place. In 1990 the Club applied for membership of the Combined Counties Football League and was granted senior status by the Berks & Bucks County Football Association. The first two seasons were disastrous finishing in bottom place on each occasion and only escaped relegation back to the Chiltonian Football League at the end of the second season due to the resignation of another member club. However, the form of the Club improved dramatically thereafter over several years with managers Peter Browning and subsequently John Underwood bringing the club cup and league success.

The first ground used by the Club was a field adjacent to the Bull & Butcher public house that may well have been used as the club headquarters. After a few years, a move was made to the Memorial Park where the Club remained until the 1996 close season, apart from a couple of seasons during the 1950s spent on a nearby pitch in St. John's Road.

The introduction of the National Lottery prompted an immediate bid for funding for a new ground in Bottom Meadow adjacent to the Memorial Park. With support and backing through additional matched funding from Bracknell Forest Borough Council and Sandhurst Town Council, the Club was successful in the first round of allocations by the National Lotteries Charities Board. The new facilities opened in August 1997 at a cost of £265,000. The club celebrated its Centenary season in 2010/11 winning the Combined Counties League Cup final and getting through to two other semi-finals.

This year the club celebrates 110 years of football in the community. Whilst the CoVid-19 pandemic brought last season to a premature close in March and our planned anniversary celebrations/events to be put temporarily on hold there has been a lot of positive and exciting things happening in the background at the club. Aimed at ensuring the longevity of the club for a further 100 years and beyond a major relaunch of the club and a project is in hand on two fronts namely significantly improving, upgrading, and enhancing our facilities at Bottom Meadow as well as placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst. Work began at Bottom Meadow in 2020 and we returned to a much-improved home for the start of the 2021/22 season.

In 2022 the club celebrated 110 years of football in the community. Covid-19 pandemic brought the 2021 season to a premature close and anniversary celebrations/events were cancelled. However, there was a lot of positive and exciting things happening in the background at the club.

SANDHURST TOWN

Aimed at ensuring the longevity of the club for a further 100 years and beyond, a major relaunch of the club was completed, namely significant improvements, upgrades, of the facilities at Bottom Meadow, placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst and throughout Bracknell Forest. Our state-of-the-art 3G pitch, the first of its kind in the UK, that was completed during the summer of 2023, at Bottom Meadow.

In 2023, Jordan Ive took over the reigns as first team manager along with Carl Barrie as coach, led the Fizzers to the Combined Counties Division One title and promotion to Step 5 into the Combined Counties Premier South. Jordan led the team until Xmas 2023 when he made the move up the football pyramid to manage at Step 3.

For the start of the 2024/25 season, Adam Barnard became the new Fizzers manager and was joined by Carl Barrie and Lee Barefoot. Sandhurst Town ambitions remained high. However, ownership and operational changes in the running of Bottom Meadow hampered our progress and we could not muster enough points to avoid regelation back into Combined Counties Division One.

2025/26, we welcomed Bob Ryan as the new Fizzers manage to lead the Fizzers for the new campaign. At the end of the season Bob stepped down and we began the search for a new manager.

We are delighted that Carl Barrie has returned as the new Fizzers manger for the 2026/27 season. Carl, along with his management team will lead the Fizzers into a new era and a new league, after a change in league allocation we join the Wessex League for the first time.
