sandhursttownfc1910.com

Welcome to Hamworthy United, their committee, and fans to today's Velocity Wessex League Division 1 match at Bottom Meadow.

League action continues and we play an unknown Hamworthy United who visit today from Dorset. Tuesday's match, against Cove, ended in a 3-1 defeat. Cove for large parts of the match were on top, with us below par the result was fair. We need to improve in all areas across the pitch if we want to bounce back with three points today.

Hamworthy United make the long journey from Poole, having finished comfortable mid table last season. They have made a relatively slow start to this season's campaign. Although they have only amassed two draws from their opening six league matches they have had a difficult start, apart from their 2-0 defeat to league leaders all other results have been fairly close. They will be looking to get their first league win of the season today.

Across a long season we will have a few bumps on the way, we will need to make sure we return to our best if we want to get back to winning ways. We also need a confidence boost ahead of our Berk & Bucks Senior Cup match at home to Woodley on Tuesday night and the visit of Carterton on Saturday for the 2nd qualifying round of the Isuzu FA Vase.

Our home match day tickets will be available at the gate on a game-by-game basis so please keep an eye out on our website and social media channels for all upcoming fixtures and up to date news.

We would like to thank all of our sponsors and extend a very warm welcome to anyone making their first visit to Bottom Meadow, we look forward to seeing you all again at our upcoming home matches.

WESSEX LEAGUE DIVISION 1
THE FIZZERS 1 v COVE 3

Our move to the Wessex league saw us to renew acquaintance with Cove after a few of seasons apart. Saturday's 1-1 draw at Ash was a little disappointing, we had an opportunity to put this to bed against our near neighbours.

From the off, both sides started brightly but we soon found out that this was going to be a tough test. Cove were organised and looked dangerous in attack and we need to match them man for man across the pitch. We found it tough to get a foothold and Jonas was called into early action with a good save to deny Cove the opening goal. They didn't have to wait long to take a deserved lead, a headed goal after 18 minutes.

We still found it tough going but managed to carve out a few opportunities, Jacob Cowler had a shot well saved by the Cove goalkeeper. As half-time approached were reliant on Jonas, on more than one occasion, to prevent the visitors adding to their advantage. However, on the stroke of half-time Reg Denyer levelled the score. Cove had the better of the first half and were unlucky not to hold their lead going into the break.

Buoyed by our late first half goal we started the better of the two teams in the second half, Jacob Cowler with a spectacular effort was deflected just over the bar. Our early 2nd half dominance was short lived, Cove put themselves in front after 54 minutes. Jonas was doing his best to keep out Cove with another fine save but there was nothing he could do to stop Cove adding a 3rd after 63 minutes.

We had an opportunity to get back in the match after 66 minutes, unfortunately, Jude New's penalty was comfortable saved by the Cove goalkeeper. A few substitutions gave us fresh legs, but it wasn't until the final 10 minutes that we managed to mount any serious attacks on the Cove defence. Brandon Curtis had a free kick saved off the line, we continued to pressurise the Cove backline, but time was running out. Cove held firm until the final whistle and on the balance of play deservedly took all three points.

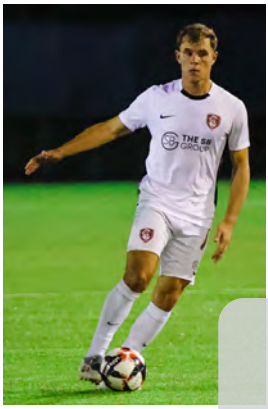

We are still a work in progress; we will need to improve in today's match against Hamworthy United.

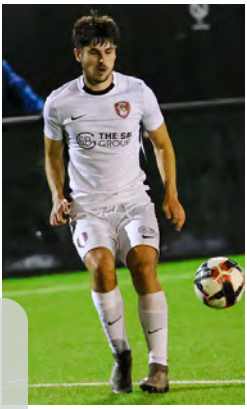

Jonas Cody was voted the Flooring Solutions (Southern) Ltd. Man-of-the Match.

HAMWORTHY UNITED

The roots of HAMWORTHY UNITED FC go much further back than 1970 as a team known as Hamworthy St Michael's was formed back in the 1890s. Hamworthy FC was formed in 1926 and a move to the present home, which had been known as The Nursery Ground, occurred in 1950.

The current team was formed from a 1970 merger between the Hamworthy and Trinidad Old Boys clubs in this featured year, Hamworthy FC having missed out in the Dorset Combination League in the previous season due to 'administrative problems', making it a good time to improve its structure. So, the United club, as we know it now, is completing its Golden Jubilee year in 2020. The Hammers have been members of the Wessex League since being promoted from the Dorset Premier League in 2004.

A team was first formed in the 1890's called Hamworthy St Michael's, winning their first trophy the Whitehead Minor Cup in the 1899/00 season. Hamworthy FC was formed in 1926 and moved to the present ground The County Ground (formally known as The Nursery) in 1950. Hamworthy United FC was formed from a merger between Hamworthy FC and Trinidad Old Boys FC in 1970/71 after missing the 1969/70 season in the Dorset Combination League due to administration problems.

The County Ground was renamed the Specsavers County Ground by the Dorset County Football Association the leaseholders in 2018.

Hamworthy United First Team have been members of the Wessex League Premier Division since winning promotion at the start of the 2004/05 season from the Dorset Premier League. The Hammer's Second Team was promoted from the Dorset First Division at the end of the 2004/05 to play in the Dorset Premier League.

They dropped out of that League at the end of the 2017/18 season with the intention of entering a Development Team in its place in the Wyvern League. With Chairman the late Steve Harvey and his new Board of Directors keen to see Hamworthy United develop their own talent an Under16 team was started in 2018 followed by an Under15 team in 2019.

Hamworthy United has had great success at all levels over the years in various competitions. After winning the Dorset Combination/Premier league two years running they were promoted in the 2004/05 Season to Wessex League Division 1.

Hamworthy won the League Cup in their first season beating Thatcham Town in the final at Christchurch. They reached the final again in the 2008/09 season, but this time lost to VTFC 2-1 after a very close contest.

Hamworthy have had several good runs in the FA Vase one of their best being in the 2008/09 when they got as far as the Third Qualifying Round where they lost to Hungerford.

HAMWORTHY UNITED

The Hammers once again reached the Final of the Dorset Senior Cup in 2013/14 when managed by Graham Kemp but lost it 2-0 to Poole Town.

They again reached the Second Qualifying round of the FA Cup in 2015/16 this time going out to two late goals scored by the much higher ranked Bideford. In 2018/19 United got as far as the Fourth Qualifying Round (the last 32) in the FA Vase, but just lost out to Willand Rovers away at their ground 1-0.

The Under Eighteen's have also won several honours over the years winning both the League and the Dorset Youth Cup in the 1987/88 season. They were the Dorset Youth Division 2 Champions in the 2003/04, and again won the Cup in season 2004/05, 2006/07, 2012/13, and 2014 /15.
SportsStatistics Analysis

They also won the Division 1 Title and the League Cup in 2014/15 making it their most successful season to date. In 2007/08 The South West Youth League Team won promotion to the first Division but declined to go up due to the extra cost of travelling involved. The Sunday side in their first and only season 2008/9 won the Dorset Sunday First Division. They had to pull out at the end season due to running costs.

Hamworthy United, after years of playing on a very difficult pitch, and with very limited facilities and resources, saw things begin to change when the County FA decided to upgrade the Ground in 2016. This included a new all-weather artificial pitch as well as new floodlights and surrounds.

Shortly afterwards the Club received the news that due to the generous legacy of club stalwart Stan Wallis and his wife Betty, together with a grant from the Football Stadia Foundation Fund, the club could at long last be able to double the size of the Clubhouse and Bar to generate more income.

Harry Redknapp performed the opening ceremony of the Clubhouse in October 2017 followed by a match between Hamworthy United and a Dorset Representative Team. Other changes at that time saw the Club become a Limited Company headed by the late Steve Harvey as Chairman and four other Directors including the Club President Bruce Scammell.

Season 2021/22 was one for the memory, with a semi-final appearance in the FA Vase - the club missing out on a date at Wembley by virtue of a penalty shoot out against eventual winners, Newport Pagnell Town. Never the less, a proud run, with the disappointment soon softened somewhat in going on to claim the Wessex Premier League crown, and promotion to the Southern League.

Financial burdens saw the Dorset-based side resign from the Southern League in 2023/24, having since made a renaissance in being accepted back into Division One of the Wessex League for 2024/25.

SANDHURST TOWN

Sandhurst Football Club was formed in 1910 and played in the Reading & District League until 1979 apart from a short spell in the East Berkshire Football League. In 1979, the Club was elected into the Aldershot & District Football League.1984 saw the Club finish as runners-up from whence they became founder members of the Chiltonian Football League and a stepping-stone toward becoming a senior club.

The best season in the Chiltonian Football League was in 1986-1987 when they finished in second place. In 1990 the Club applied for membership of the Combined Counties Football League and was granted senior status by the Berks & Bucks County Football Association. The first two seasons were disastrous finishing in bottom place on each occasion and only escaped relegation back to the Chiltonian Football League at the end of the second season due to the resignation of another member club. However, the form of the Club improved dramatically thereafter over several years with managers Peter Browning and subsequently John Underwood bringing the club cup and league success.

The first ground used by the Club was a field adjacent to the Bull & Butcher public house that may well have been used as the club headquarters. After a few years, a move was made to the Memorial Park where the Club remained until the 1996 close season, apart from a couple of seasons during the 1950s spent on a nearby pitch in St. John's Road.

The introduction of the National Lottery prompted an immediate bid for funding for a new ground in Bottom Meadow adjacent to the Memorial Park. With support and backing through additional matched funding from Bracknell Forest Borough Council and Sandhurst Town Council, the Club was successful in the first round of allocations by the National Lotteries Charities Board. The new facilities opened in August 1997 at a cost of £265,000. The club celebrated its Centenary season in 2010/11 winning the Combined Counties League Cup final and getting through to two other semi-finals.

This year the club celebrates 110 years of football in the community. Whilst the CoVid-19 pandemic brought last season to a premature close in March and our planned anniversary celebrations/events to be put temporarily on hold there has been a lot of positive and exciting things happening in the background at the club. Aimed at ensuring the longevity of the club for a further 100 years and beyond a major relaunch of the club and a project is in hand on two fronts namely significantly improving, upgrading, and enhancing our facilities at Bottom Meadow as well as placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst. Work began at Bottom Meadow in 2020 and we returned to a much-improved home for the start of the 2021/22 season.

In 2022 the club celebrated 110 years of football in the community. Covid-19 pandemic brought the 2021 season to a premature close and anniversary celebrations/events were cancelled. However, there was a lot of positive and exciting things happening in the background at the club.

SANDHURST TOWN

Aimed at ensuring the longevity of the club for a further 100 years and beyond, a major relaunch of the club was completed, namely significant improvements, upgrades, of the facilities at Bottom Meadow, placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst and throughout Bracknell Forest. Our state-of-the-art 3G pitch, the first of its kind in the UK, that was completed during the summer of 2023, at Bottom Meadow.

In 2023, Jordan Ive took over the reigns as first team manager along with Carl Barrie as coach, led the Fizzers to the Combined Counties Division One title and promotion to Step 5 into the Combined Counties Premier South. Jordan led the team until Xmas 2023 when he made the move up the football pyramid to manage at Step 3.

For the start of the 2024/25 season, Adam Barnard became the new Fizzers manager and was joined by Carl Barrie and Lee Barefoot. Sandhurst Town ambitions remained high. However, ownership and operational changes in the running of Bottom Meadow hampered our progress and we could not muster enough points to avoid regelation back into Combined Counties Division One.

2025/26, we welcomed Bob Ryan as the new Fizzers manage to lead the Fizzers for the new campaign. At the end of the season Bob stepped down and we began the search for a new manager.

We are delighted that Carl Barrie has returned as the new Fizzers manger for the 2026/27 season. Carl, along with his management team will lead the Fizzers into a new era and a new league, after a change in league allocation we join the Wessex League for the first time.
