Respect

sandhursttownfc1910.com

Welcome to Alresford Town, their committee, and fans to today's Wessex League Division 1 match at Bottom Meadow.

We are looking to continue our October form, a victory in the B&B Cup and three league wins - the latest, a 3-2 victory at Blandford United. We left it late, Beau Oliphant with an injury time goal sealed the points which keeps us in the hunt towards the top of the table.

We look to continue our run of form today against Arlesford Town who, after a decent start to the league have suffered a recent dip in recent form. However, a victory in the their last match against Hamworthy United may have turned things around. We are expecting another test today where we should see a few goals, we need to keep up the good work and focus for the full 90 minutes if we want to continue our run of form.

Our focus for the next few matches will be on the league as we look to close the gap towards the top of the table. As well as the next round of the B&B Cup where we visit Binfield on November 10th and also a home tie in the Aldershot Cup against Knaphill, date TBC.

Our home match day tickets will be available at the gate on a game-by-game basis so please keep an eye out on our website and social media channels for all upcoming fixtures and up to date news.

We would like to thank all of our sponsors and extend a very warm welcome to anyone making their first visit to Bottom Meadow, we look forward to seeing you all again at our upcoming home matches.

@sandhurstownfc

From the Chairman

Good afternoon and a warm welcome to Bottom Meadow for today's Wessex League Division One fixture. I would like to welcome the players, officials and supporters of Alresford Town FC, along with today's match officials. We hope you enjoy your visit.

The players have put in a tremendous effort over recent weeks to secure the results their performances have deserved. Three months into the season, we are on course to achieve our league ambitions and will continue working hard to consolidate our position in the coming months. The arrival of several experienced players has added significantly to the balance of the team and complemented the talent within our young squad. The quality of our football, together with some excellent goals, has been a clear measure of our progress and a notable feature of recent matches.

Off the field, we continue to improve and expand the resources that support the club behind the scenes. Good progress is being made in enhancing the quality of our social media platforms and broadening our appeal across the wider community.

The club's role in the community has always been of paramount importance. We remain committed to strengthening and extending our relationships with local communities, stakeholders and organisations across the area. However, there is no room for complacency, and there is still much more we would like to achieve within the usual resource and financial constraints.

Why not be part of our future?

If you have time to spare, skills to offer or a desire to develop new experience, we would be delighted to hear from you. We are always seeking more volunteers and sponsors to support the club. We are currently looking for matchday support coordinators and helpers, as well as people with experience in press, publicity, community engagement or marketing. If you are interested, please contact or speak to me at or any member of our team at the ground, or contact us through our social media channels.

Given the current economic climate, grassroots clubs need support more than ever. Your presence at today's match, together with the tremendous backing we have received from our new sponsors this season, is genuinely appreciated.

ALRESFORD TOWN

Football in Alresford has been found back to the late nineteenth century, but the formation year of the present ALRESFORD TOWN FC side is shown as 1989. Starting in the now defunct North Hants League, Town moved immediately into the Hampshire League before withdrawing in 1996.

They returned, again from the North Hants League, in 2000 and then came the 2004 move; they've remained members of the Wessex League since and have been a top tier side since 2007.

The original Alresford Town was established in 1898 and were members of the Winchester & District League. The modern club was established in 1989 and joined the North Hants League. After finishing as runners-up in their first season, they moved up to Division Two of the Hampshire League.

The club were Division Two runners-up in 1990/91, securing a second successive promotion to Division One. However, after finishing second-from-bottom of Division One in 1994/95, they were relegated back to Division Two.

At the end of the following season the club left to re-join the North Hants League. Alresford were North Hants League champions in 1999/00 and returned to Division Two of the Hampshire League. After finishing second in Division Two in 2001/02 they were promoted to Division One.

In 2004 the Hampshire League merged into the Wessex League, with the club becoming members of the new Division Two. The division was renamed Division One in 2006 and Alresford were runners-up in 2006/07, earning promotion to the Premier Division. After five seasons in the lower-mid table, the club were Premier Division runners-up in 2012/13, a season that saw them win the Hampshire League (beating AFC Bournemouth in the final), the League Cup and the North Hants Senior Cup.

They were Premier Division runners-up again the following season, also retaining the League Cup and the North Hants Senior Cup, as well as winning the Aldershot Senior Cup.

In 2018/19 Alresford won the Southampton Senior Cup, beating AFC Stoneham 3-0 in the final. The 2019/20 season was abandoned due to the coronavirus pandemic with Alresford top of the Premier Division.

In 2021/22 Alresford won the North Hants Senior Cup beating Basingstoke Town 1-0.
One of the Wessex League since 2015/16, with a highest placed finish of ninth in 2022/23.

SANDHURST TOWN

Sandhurst Football Club was formed in 1910 and played in the Reading & District League until 1979 apart from a short spell in the East Berkshire Football League. In 1979, the Club was elected into the Aldershot & District Football League.1984 saw the Club finish as runners-up from whence they became founder members of the Chiltonian Football League and a stepping-stone toward becoming a senior club.

The best season in the Chiltonian Football League was in 1986-1987 when they finished in second place. In 1990 the Club applied for membership of the Combined Counties Football League and was granted senior status by the Berks & Bucks County Football Association. The first two seasons were disastrous finishing in bottom place on each occasion and only escaped relegation back to the Chiltonian Football League at the end of the second season due to the resignation of another member club. However, the form of the Club improved dramatically thereafter over several years with managers Peter Browning and subsequently John Underwood bringing the club cup and league success.

The first ground used by the Club was a field adjacent to the Bull & Butcher public house that may well have been used as the club headquarters. After a few years, a move was made to the Memorial Park where the Club remained until the 1996 close season, apart from a couple of seasons during the 1950s spent on a nearby pitch in St. John's Road.

The introduction of the National Lottery prompted an immediate bid for funding for a new ground in Bottom Meadow adjacent to the Memorial Park. With support and backing through additional matched funding from Bracknell Forest Borough Council and Sandhurst Town Council, the Club was successful in the first round of allocations by the National Lotteries Charities Board. The new facilities opened in August 1997 at a cost of £265,000. The club celebrated its Centenary season in 2010/11 winning the Combined Counties League Cup final and getting through to two other semi-finals.

This year the club celebrates 110 years of football in the community. Whilst the CoVid-19 pandemic brought last season to a premature close in March and our planned anniversary celebrations/events to be put temporarily on hold there has been a lot of positive and exciting things happening in the background at the club. Aimed at ensuring the longevity of the club for a further 100 years and beyond a major relaunch of the club and a project is in hand on two fronts namely significantly improving, upgrading, and enhancing our facilities at Bottom Meadow as well as placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst. Work began at Bottom Meadow in 2020 and we returned to a much-improved home for the start of the 2021/22 season.

In 2022 the club celebrated 110 years of football in the community. Covid-19 pandemic brought the 2021 season to a premature close and anniversary celebrations/events were cancelled. However, there was a lot of positive and exciting things happening in the background at the club.

SANDHURST TOWN

Aimed at ensuring the longevity of the club for a further 100 years and beyond, a major relaunch of the club was completed, namely significant improvements, upgrades, of the facilities at Bottom Meadow, placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst and throughout Bracknell Forest. Our state-of-the-art 3G pitch, the first of its kind in the UK, that was completed during the summer of 2023, at Bottom Meadow.

In 2023, Jordan Ive took over the reigns as first team manager along with Carl Barrie as coach, led the Fizzers to the Combined Counties Division One title and promotion to Step 5 into the Combined Counties Premier South. Jordan led the team until Xmas 2023 when he made the move up the football pyramid to manage at Step 3.

For the start of the 2024/25 season, Adam Barnard became the new Fizzers manager and was joined by Carl Barrie and Lee Barefoot. Sandhurst Town ambitions remained high. However, ownership and operational changes in the running of Bottom Meadow hampered our progress and we could not muster enough points to avoid regelation back into Combined Counties Division One.

2025/26, we welcomed Bob Ryan as the new Fizzers manage to lead the Fizzers for the new campaign. At the end of the season Bob stepped down and we began the search for a new manager.

We are delighted that Carl Barrie has returned as the new Fizzers manger for the 2026/27 season. Carl, along with his management team will lead the Fizzers into a new era and a new league, after a change in league allocation we join the Wessex League for the first time.
