Respect

sandhursttownfc1910.com

Welcome to Totton & Eling, their committee, and fans to today's Wessex League Division 1 match at Bottom Meadow.

Following an inconsistent September we have had a positive start to October. A deserved 2-0 victory away a Folland Sports got our league campaingn back on track was followed up with a 2-1 win away at Aylesbury Vale Dynamos in the Berks & Bucks Senior Cup.

We look to continue our run of form today against Totton & Eling who, so far, have had a slow start in the league. However, they earned a 3-2 victory last Saturday to get their recovery underway. They will be up for today's challenge, and we will need to keep the up the performance levels throughout the match if we want to record another important victory.

Our focus for the next few matches will be on the league as we look to close the gap towards the top of the table. As well as the next round of the B&B Cup to look forward to we also have a home tie in the Aldershot Cup against Knaphill. Dates for both cup matches are still to be confirmed and will be announced as soon as we have finalised the details.

Our home match day tickets will be available at the gate on a game-by-game basis so please keep an eye out on our website and social media channels for all upcoming fixtures and up to date news.

We would like to thank all of our sponsors and extend a very warm welcome to anyone making their first visit to Bottom Meadow, we look forward to seeing you all again at our upcoming home matches.

# From the Chairman

Good afternoon and a warm welcome to Bottom Meadow for today's Wessex League Division One fixture. I would like to welcome the players, officials and supporters of Totton & Eling FC, along with today's match officials.

There is a real sense of momentum around the club now. The lads put in a tremendous effort away at Aylesbury Vale Dynamos on Tuesday night with a 2-1 win. This sees us through to the 3rd round of the Berks & Bucks FA Senior Cup. Also, the 2-0 win away at Folland Sports FC in the league last Saturday sees us get our league campaign back on track.

The team's attitude, commitment and work rate were first class in both games and there were many positives to take from these performances.A huge thank you goes to our supporters who travelled to the above away games "Every week we're seeing this squad grow stronger, and I'm convinced there are exciting times ahead for everyone connected with the club." While there is a long way to go, the signs are very encouraging. There is a fantastic spirit within the squad, and I am confident we will continue to improve as we continue life in the Wessex League.

We are enjoying the challenge and look forward to continuing our journey re-establishing and building the profile and status of the club both on and off the pitch. "Our goal is not just to build a successful football team, but to create a club that our whole community can be proud of. The future chapters of this club's story are still to be written."

**Why not be part of our future?**

Whether through volunteering, sponsorship, behind the scenes or helping on matchdays, every contribution is valued and can help to move the club forward. Contact or speak to any of our members.

Whether you've supported the Fizzers for decades or are visiting Bottom Meadow for the first time today, you're part of the Sandhurst Town FC family. Thank you for your continued support. Enjoy the game and have a safe journey home.

*Tony Dean*

# TOTTON & ELING

he Club was formed in 1925 as Bramtoco FC from the workforce of the British American Tobacco Company and changed its name to BAT Sports in 1971, the same year as they entered the Hampshire League. They progressed through the Leagues, winning Division Two in 1975 and being Champions of Division One in both 1988 and 1989.

At that time the installation of floodlights, the construction of a small stand and a permanent fixed barrier enabled them to join the Wessex League. An additional stand and covered standing area followed in due course. Since joining the League they have twice reached the third round of the FA Vase, on the second occasion being drawn against AFC Wimbledon. With the weather causing the BAT ground to be unfit the tie was switched to South West London drawing an attendance of nearly 3,000.

Due to the imminent loss of their long serving Southern Gardens home they were forced to drop down a division at the end of the 2006-07 season and continued with their reserve side in Wessex League Division Two at the end of that season and because of a restructuring in the leagues and still having their ground with a new one promised by Linden Homes they were put in Division One and changed their name to Totton and Eling Football Club. They worked hard in getting a side that would compete and were eventually rewarded in 2009 winning the Division One comfortably, with over 100 points and goals regaining Wessex Premier Football again.

The next year we moved to our new and present ground Miller Park at Little Testwood Farm which is adjacent to AFC Totton. We managed to stay in the Premier division until 2015 when with a lack of funds with having no clubhouse and a real lack of people to help, the club got relegated to Division One after a great fightback right till the end of the season which saw us narrowly relegated on the last day of last season.

We have been rebuilding the club over the last couple of seasons with our youth and go again this term in Division 1 with a new Development side and the backing of our Youth section who are the driving force at the club at the moment. We have an U7, U8, U9, U10, 2 U15, U15 & U16 (Girls), D Squad & 1st Team and still growing every year.

The club have just recently signed a 25 year lease on their new ground Miller Park which now gives the club security and a stable footing to build for the future. 2018/2019 saw the club putting down foundations for the future and this is the Millers first taste of FA Competition after a hiatus of four years.

The Millers have resided in Division One of the Wessex League since 2015/16, with a highest placed finish of ninth in 2022/23.

# SANDHURST TOWN

Sandhurst Football Club was formed in 1910 and played in the Reading & District League until 1979 apart from a short spell in the East Berkshire Football League. In 1979, the Club was elected into the Aldershot & District Football League.1984 saw the Club finish as runners-up from whence they became founder members of the Chiltonian Football League and a stepping-stone toward becoming a senior club.

The best season in the Chiltonian Football League was in 1986-1987 when they finished in second place. In 1990 the Club applied for membership of the Combined Counties Football League and was granted senior status by the Berks & Bucks County Football Association. The first two seasons were disastrous finishing in bottom place on each occasion and only escaped relegation back to the Chiltonian Football League at the end of the second season due to the resignation of another member club. However, the form of the Club improved dramatically thereafter over several years with managers Peter Browning and subsequently John Underwood bringing the club cup and league success.

The first ground used by the Club was a field adjacent to the Bull & Butcher public house that may well have been used as the club headquarters. After a few years, a move was made to the Memorial Park where the Club remained until the 1996 close season, apart from a couple of seasons during the 1950s spent on a nearby pitch in St. John's Road.

The introduction of the National Lottery prompted an immediate bid for funding for a new ground in Bottom Meadow adjacent to the Memorial Park. With support and backing through additional matched funding from Bracknell Forest Borough Council and Sandhurst Town Council, the Club was successful in the first round of allocations by the National Lotteries Charities Board. The new facilities opened in August 1997 at a cost of £265,000. The club celebrated its Centenary season in 2010/11 winning the Combined Counties League Cup final and getting through to two other semi-finals.

This year the club celebrates 110 years of football in the community. Whilst the CoVid-19 pandemic brought last season to a premature close in March and our planned anniversary celebrations/events to be put temporarily on hold there has been a lot of positive and exciting things happening in the background at the club. Aimed at ensuring the longevity of the club for a further 100 years and beyond a major relaunch of the club and a project is in hand on two fronts namely significantly improving, upgrading, and enhancing our facilities at Bottom Meadow as well as placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst. Work began at Bottom Meadow in 2020 and we returned to a much-improved home for the start of the 2021/22 season.

In 2022 the club celebrated 110 years of football in the community. Covid-19 pandemic brought the 2021 season to a premature close and anniversary celebrations/events were cancelled. However, there was a lot of positive and exciting things happening in the background at the club.

# SANDHURST TOWN

Aimed at ensuring the longevity of the club for a further 100 years and beyond, a major relaunch of the club was completed, namely significant improvements, upgrades, of the facilities at Bottom Meadow, placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst and throughout Bracknell Forest. Our state-of-the-art 3G pitch, the first of its kind in the UK, that was completed during the summer of 2023, at Bottom Meadow.

In 2023, Jordan Ive took over the reigns as first team manager along with Carl Barrie as coach, led the Fizzers to the Combined Counties Division One title and promotion to Step 5 into the Combined Counties Premier South. Jordan led the team until Xmas 2023 when he made the move up the football pyramid to manage at Step 3.

For the start of the 2024/25 season, Adam Barnard became the new Fizzers manager and was joined by Carl Barrie and Lee Barefoot. Sandhurst Town ambitions remained high. However, ownership and operational changes in the running of Bottom Meadow hampered our progress and we could not muster enough points to avoid regelation back into Combined Counties Division One.

2025/26, we welcomed Bob Ryan as the new Fizzers manage to lead the Fizzers for the new campaign. At the end of the season Bob stepped down and we began the search for a new manager.

We are delighted that Carl Barrie has returned as the new Fizzers manger for the 2026/27 season. Carl, along with his management team will lead the Fizzers into a new era and a new league, after a change in league allocation we join the Wessex League for the first time.
